

ST C Series

Kastel professional ice storage bins are designed to store and manage large quantities of ice, ensuring a constant supply even during peak demand. A properly sized storage bin optimizes available space, simplifies daily operations, reduces operating costs, and keeps ice readily available whenever needed.

Upright storage bins
with carts

The Kastel storage bin range is designed to integrate seamlessly with all modular ice makers, offering versatile solutions for every professional application.

Product

Highlights

- Updated, modern design
- Stainless steel exterior
- High-density polyurethane insulation to reduce ice melting
- Linear polyethylene inner liner, suitable for food contact and scratch-resistant, with rounded corners for easier cleaning and improved hygiene
- A guillotine system allows the ice to be transferred from the storage bin to the cart
- Insulated cart with meltwater drainage system
- Adjustable stainless steel feet
- Teflon paddle supplied as standard to facilitate the discharge of any packed ice

Technical features

Model	Internal volume	Max ice capacity	Dimensions (WxDxH)	Net weight	Gross weight	Packing dimensions (WxDxH)
ST C 140	0,279 m³	137 + 73 Kg	885 x 1025 x 1343 mm	120 Kg	162 Kg	1330 x 1190 x 1500 mm 2,25 m³
ST C 300	0,648 m³	318 + 73 Kg	885 x 1267 x 1803 mm	161 Kg	198 Kg	1330 x 1130 x 1070 mm 1,61 m³
ST C 600	1,249 m³	613 + 146 Kg	1753 x 1267 x 1803 mm	347 Kg	390 Kg	1330 x 1130 x 1950 mm 2,93 m³
CART	0,148 m³	73 Kg	636 x 1088 x 898 mm	32 Kg	51 Kg	990 x 760 x 930 mm 0,70 m³
